RELEASE OF RESPONSIBILITY FOR WORK TO BE DONE.

Job: Shallow Trenching (No deeper than 18 inches)

Location: _____

It is required by law that the Utility Notification Center be contacted before digging, trenching and any movement of earth is done. Please call 1-800-332-2344 or visit the website at <http://www.callbeforeyoudig.org>. This is a FREE service. Calling before you dig ensures that any publicly owned underground facilities would be marked according to the APWA color code (<https://digsafelyoregon.com/>) so that you can dig safely.

RED	Electric power lines, cables or conduits, and lighting cables.
YELLOW	Gas, oil, steam, petroleum or other hazardous liquid or gaseous materials.
ORANGE	Communications, cable TV, alarm or signal lines, cables, or conduits.
BLUE	Water, irrigation, and slurry lines.
GREEN	Sewers, storm sewer facilities, or other drain lines.
WHITE	Proposed excavation
PINK	Temporary survey markings.
PURPLE	Reclaimed water, irrigation and slurry lines.

If there are non-public lines including private wiring, low level wiring for alarms or sprinkler systems, water pipes, gas, oil, steam, petroleum, drainage pipes, septic systems or any other buried objects that might be effected by our trenching, they need to be clearly marked.

Brush Clearing requires that the property owner have the area properly marked for both public and private underground object before we begin trenching.

If wiring, piping, septic system is damaged due to improper markings it is the homeowner's responsibility to have repaired at their expense.

Brush Clearing is hereby released and discharged from any and all liability and responsibility for any and all defects, damages, repairs,
